

Glass Options

Below are our glass options for Mullion and Multi Panel door. We recommend that you talk to your Design Consultant about seeing a glass sample in person before you make your final purchase decision.

G-CD5: Clear glass with a water ripple texture.

G-CD17: Ribbed glass, lines approximately 1/2" apart.

G-CD35: Clear glass made of a cross hatch texture.

G-CD66: Clear glass made of a small air bubble texture.

G-GLUECHIP: Winter frost-like glass texture.

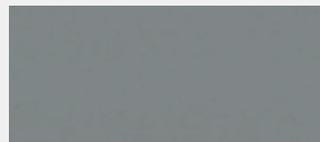

G-RAIN: Dripping rain-like glass texture.

G-CD58: Screened glass made of tiny square texture.

G-CD50: Frosted glass.

G-GREYT: Grey tinted glass.

G-BROWNT: Brown tinted glass.
